

Credit & Debit Cards

Payment solutions to fit your needs

P.O. Box 24275
Lexington, KY 40524

Fidelis Solutions offers a comprehensive suite of credit & debit card payment solutions to fit the needs of any business. We support virtually every business sector to include retail, restaurants, grocery, mail order/telephone order, mobile services, e-Commerce, hotel/lodging and petroleum/convenience store.

Trust is a Cornerstone

You have choices when evaluating a company to handle your credit & debit card payments. Our solution provides you the benefit of partnering with an electronic payments leader and a company with whom you conduct business today.

While saving money is important, there is more to consider when it comes to processing your customer payments.

Choose a partner with a history of driving value to your business; *Someone you can trust.*

Make the switch; Get cash

- We offer a no-obligation review of your current process
- We reduce expenditures for more than 90% of the companies we evaluate
- Account consolidation may lead to other efficiencies and savings
- **Act today and receive a \$100 Visa gift card upon activating your account**
